

# Summary of Financial Assistance Policy

Consistent with our mission to exemplify our Christian heritage of service and to enhance the health of the people and communities we serve, Baptist Health offers a Financial Assistance Policy to provide financial assistance to eligible patients in meeting financial obligations for the medical care provided to them by Baptist Health hospitals.

## ELIGIBILITY AND ASSISTANCE AVAILABLE UNDER OUR FINANCIAL ASSISTANCE POLICY

Once you have utilized all other payment options (e.g., Insurance coverage, health spending accounts, Governmental assistance programs, etc.), you may be eligible for financial assistance under Baptist Health's Financial Assistance Policy. Here are the levels of discounts available for eligible patients during each calendar year:

- **Uninsured or Underinsured Discount** - If you are uninsured or your insurance does not allow emergency or medically necessary care provided by a Baptist Health hospital, then you may be allowed a discount that limits your payment responsibility to the amounts generally billed to individuals who have insurance covering such care.
- **Full Assistance (100%)** - If your family income is less than or equal to 300% of the federal poverty level, then you may be eligible for full assistance.
- **Partial Assistance (50%)** - If your family income is between 301% and 400% of the federal poverty level, then you may be eligible for partial assistance.

Any patient that is eligible for financial assistance under our Financial Assistance Program will not be charged more for emergency or other medically necessary care than the amounts generally billed to individuals who have insurance covering such care.
